## The Intrepid Perpetual Support Fund Account\*

All donations made to this account are equally divided each year:

- half is retained in the account to conserve and grow capital for the future,
- half into an annual grants pool provided to a number of well known and respected international non-government organisations.

Both of these components are matched by Intrepid Travel dollar for dollar. Retaining 50 % of the donation, and hence growing the capital base of the account over time, allows projects in future years to be funded from the interest and other growth achieved. This means your donation will go much further, making a far greater impact over time than its original value.

## who manages The Intrepid Foundation Inc?

The **Intrepid Community Project Fund** is managed by The Intrepid Foundation Incorporated, established under the Associations Incorporation Act 1981 (Victoria, Australia), to maximise funds raised and disbursed to suitable beneficiary organisations and projects. The Intrepid Foundation Incorporated has an elected Committee of Management which includes several individuals experienced in international aid and the not-for-profit sector and is independent from the management of Intrepid Travel. The Committee of Management meets quarterly and ensures all organisations and projects are assessed and monitored according to approved criteria. Our accounts are audited by an external independent auditor.

The **Intrepid Perpetual Support Fund account\*** has been developed by The Intrepid Foundation Incorporated in conjunction with CAF Australia and CAF Community Fund, registered charities that aim to increase the flow of resources to charities and not-for-profit organisations. Funds are invested by CAF with Macquarie Private Portfolio Management, a wholly owned subsidiary of Macquarie Bank. Grant recipients or beneficiaries are approved by the CAF trustee and disbursed annually, having considered requests from the Intrepid Foundation Committee.

**Administration costs** for both funds are entirely funded by Intrepid Travel and 100% of public donations will reach the nominated project or fund.
