

Letter Roc.No.14655/YI-2/2005

Dated: 08.09.2005

**C E R T I F I C A T E**

This is to certify that paperless office – “**Min Aluvalagam**” has been installed in the Head Office of the Sports Development Authority of Tamil Nadu (SDAT) and has begun its functioning from 01.08.2005. **M/s.LL2B.COM** has supplied the Software Package developed based on Open Source with backend MySQL / PGSQL running on Linux platform. Initially, the demo version was installed in the office and practical applications were explained to all the staff members of SDAT. For this, two or three demonstrations were held for all the officers and staff members of the SDAT. M/s.ELCOT, in their letter dated 22<sup>nd</sup> March, 2004, certified that the package e-Administration is suitable for any Govt. office and was implemented in their own office. The Committee of four Members constituted by ELCOT to evaluate software package has certified the suitability of the package. From the observations of the demo, a few modifications / requirements of SDAT were suggested by the staff members and security aspects such as the digital signatures and bio-metrics are to be incorporated as additional features for our requirement.

The tool has been successfully installed and is now being implemented in the SDAT. Hitherto, what has been done manually, has been converted electronically. All, the sections have begun using this tool and now have found it useful to speed-up faster communication between them. All incoming letters are (100%) scanned and electronically forwarded directly to the Assistant who deals with the subject. Any Officer can view all the communications received for self and his subordinates. The Member-Secretary views the communications received by the entire organization sent for his approval / information, etc.

As all the files can be viewed electronically, Member-Secretary can pull up the file that requires immediate action. Thus, the average process time has been cut down by almost 50%. Tremendous increase in work force productivity has been noticed due to this factor.

We appreciate the efforts of M/s.LL2B.COM for their efforts and execution of Min Aluvalagam, a paperless office in the SDAT.

We wish all success to M/s.LL2B.Com in its future endeavour.

Member-Secretary.  
Member Secretary
