

Welcome to the Full Circle Demonstration Garden!

As you explore our demonstration garden, you'll learn about backyard composting, vermicomposting, and various examples of water-wise, fire-wise, drought-tolerant and deer resistant plants. Along the way, you'll also discover unique ways to grow your garden.

We welcome your comments and questions. For more information, call the Nevada County Recycles Hotline at 530-265-1768 or visit www.NevadaCountyRecycles.com.

Enjoy!
