

Green Map System: Inclusive participation in sustainable community development since 1995

Engaging over 500 communities in 54 countries, more than **360 locally published Green Map** editions are already being used by millions of people

Led by students, community groups, NGOs, tourism and city agencies, geographers, eco-entrepreneurs and others

Explore the Open Green Map by clicking each site. You can filter your view by toggling the Legend's icons.

Although the website's design is incomplete, it's easy to explore the first 40 maps today

Because of this site, I

"I started my own blog dedicated to spreading knowledge about animal conservation" **AndrewS**

"I've been volunteering here since my visit last september!" **Rocklandanna**

"I've been interested in animal species since I was very young, and my experience at Maryland Zoo was one of the most intellectual experiences I've ever had. After visiting the zoo a few times, I finally decided to take up zoology at my university!" **CarlosM**

342 People discovered this site because of this map. [Did you?](#)

You can help the Open Green Map gain recognition,
even before it is officially launched in spring 2009!

Please join us in broadly
impacting eco and social
conditions as the innovative
Open Green Map stimulates
participation and influences
public policy while promoting
every sustainability resource in
town. **Think Global, Map Local!**

“If the best greening resource in the world is around the corner but no one knows about it, what good can it do?”

Yelitza Espinosa,
Pereira Colombia Green Mapmaker
